Rudolf Steiner in *Blues Beat Magazine*

"Elizabeth Lee is just about the coolest rock star ever. Through music, she is able to make genuine connections with her audience. And that is what makes her a real rock star. Her vocal prowess, energy and ability to engage a crowd set her apart from ANY other singers".

Joshua Maloni, *Niagara Frontier Publications*

"Elizabeth Lee is not a VOICE for sitting still, and fans of vocal trademarks like Sass Jordan, Lou Ann Barton, Tina Turner or Janis Joplin and Bonnie Raitt – will have to accept that here is another strong bouncing singer creating an original kind of Southern music that can funk, rock, jazz and tuck you to bed, exhausted and giddy".

Hans Herman, *Taxim Records*

Their performance of original and cover material promises a cross between JANIS JOPLIN, R.L.BURNSIDE and EVEN AEROSMITH... leaving their audience awe-struck and wanting more. NEW CD to be released in March 2011 and their latest project... "HONEST CRIMINALS" has the song QUEEN OF THE WATER... featured in the upcoming film MICHFISH... to be released this winter WORLDWIDE.
